Councilman Olson questioned the voucher from Town Counsel Mark Schachner regarding "Enforcement Action" charge of \$1,500.00. Councilman Olson said he feels the Town Board should be involved in any decision-making policy regarding zoning and it should have been discussed in Executive Session.

Supervisor Bentley said that part of the zoning officers job is enforcement of zoning laws and that is what this action was about. Councilman Olson responded by saying that the Board should be aware and approve this use of taxpayer's money. Supervisor Bentley answered that the Enforcement Officer should be able to enforce and this case was taken from his hands into the courts. Councilman Olson asked if the case was over and Supervisor Bentley said it was.

Dog Shelter- The Town is without a place to put stray dogs, as the Schroon River Animal Hospital no longer takes them. Discussion regarding the possibility of building a temporary shelter at Darian Granger's house as he is the Dog Control Officer. Any shelter built would have to be removable and also pass the guidelines set by the NYS Agriculture & Markets Department. Discussion regarding what type of shelter Chestertown uses. Chestertown shares a dog warden with Johnsburg and the stray dogs are housed at a shelter in Johnsburg belonging to the Town.
